

INFORMATION FOR STUDENTS OF R100 FRENCH

PROGRAMME SPECIFIC INFORMATION, PRELIMINARY READING LIST AND
INDUCTION TIMETABLE FOR FIRST YEAR STUDENTS 2016/17

All students take 120 credits in total each year.

ALL first year students of **French** will be registered for **90 credits** of core and compulsory modules. You will need to choose **30 credits** of modules to complete your module registration.

Full information regarding the modules you have to take and the options you can choose is listed in the programme regulations here: http://slf.qmul.ac.uk/media/slf-migration/slf/R100_French_2017.pdf

You will also need to consult these regulations in subsequent years.

Further details about the modules and what they entail, including instructions on how to submit your option choices, can be found in the full version of our Module Directory which you can access here: <https://qplus.qmul.ac.uk/course/view.php?id=4516>

Preliminary Reading Lists

FRENCH YEAR 1 preliminary reading list

Dictionaries

We expect you to have a good bilingual dictionary of your own and recommend one of the following:

- *Oxford-Hachette French Dictionary*
- *Collins Robert French Dictionary*

As you progress in your course it will also become important for you to own a monolingual dictionary, and we recommend:

- *Petit Robert*
- *Nouveau Petit Larousse*

The following is also a rich source to help expand your vocabulary:

- J. Rey et al., *Le Mot et l'idée 2* (Paris: Ophrys, 1991)

Grammars

It's important to have a good grammar book that you personally find accessible and will therefore use throughout your studies. A number of books are on the market, and you may want to compare extracts from them before deciding – you could try searching for “French grammar” on Amazon, and then using the Look Inside option to see how different books are organized. We particularly recommend the following:

- G. Price, *A Comprehensive French Grammar* (Oxford: Blackwell Publishing, 1997)
- J. Morton, *English Grammar for Students of French: The Study Guide for Those Learning French* (Ann Arbor: Olivia and Hill Press, 2013).

Compulsory reading for FRE4201 French Foundations

Semester 1

Materials will be provided for the two semester 1 blocks (the introductions to **Linguistics** and to **Literature**).

Semester 2

Materials for the first semester 2 component (**Mai '68**) will be provided. For the second block (**Frantz Fanon**), you will need to purchase the following book:

- Frantz Fanon, *Peau noire, masques blancs* (Paris: Editions du Seuil, 2015 [first published 1952])

The best way to order your books is online, from [amazon.co.uk](https://www.amazon.co.uk) or [amazon.fr](https://www.amazon.fr). Prices on amazon.fr for books published in France tend to be lower than on the UK site, though shipping costs are a little higher. You could also look at [abebooks.co.uk](https://www.abebooks.co.uk), which is an online portal for second-hand book dealers. It's often possible to find lower prices this way, but take care to ensure that the edition you're ordering is the right one.

Reading and listening for fun

We strongly recommend that you start reading/listening to/watching as much French material as you can, well before you join us in September, to give yourself a head start. Why

not spend some time over the summer getting to know a bit more about French literature and culture? Try the superb overview of literature in John D. Lyons' *French Literature: A Very Short Introduction* (Oxford: Oxford University Press, 2010). Explore some of the lively new fiction writers who have made an impact in France in recent years. Try Faiza Guène's *Kiffe kiffe demain* (Paris: Hachette, 2004) for a great story and an example of vibrant everyday language. Get addicted to the character of Adamsberg, the Chief Inspector in Fred Vargas' detective novels. Learn about the history and diversity of the French language in *The Story of French* by Jean-Benoît Nadeau and Julie Barlow (London: Portico, 2008). You may also enjoy reading a general book about society and politics in France, such as John Ardagh's *France in the New Century* (London: Penguin, 2000). Explore French newspapers and magazines online (try *Le Monde* and *L'Express*). Browse the French Institute's online multimedia library (www.culturetheque.org.uk) for free e-books, audiobooks, lectures, films and documentaries.

If you enjoy graphic novels, you could try Marjane Satrapi's *Persepolis*, Joann Sfar's *Le Chat du Rabbín*, or David B.'s *L'Ascension du Haut Mal*. For keen filmgoers, there's a wealth of films to explore. A starting-point might be *Time Out*'s list of the 100 best French films – the countdown begins at <https://www.timeout.com/paris/en/film/the-100-best-french-films-100-81>. Particular suggestions – check details online to see if you might enjoy them – are *Caché* (Michael Haneke, 2005); *Les Amants du Pont Neuf* (Leos Carax, 1991); *Les Parapluies de Cherbourg* (Jacques Demy, 1964); and *Bande de filles* (Céline Sciamma, 2014).

Finally, you may want to explore the French-speaking world more widely, looking at work by authors from other countries (e.g. Anne Hébert from Canada, or Amélie Nothomb from Belgium), or discovering earlier historical periods (e.g. through Colin Jones's *The Great Nation: France from Louis XV to Napoleon*, or Barbara Tuchman's *A Distant Mirror: The Calamitous 14th Century*).

Please see below for your Welcome Week timetable

**SCHOOL OF LANGUAGES LINGUISTICS AND FILM- NEW UG STUDENTS WELCOME WEEK
